

News for Immediate Release

Electrovaya to Participate in a Number of Battery and Technology Conferences over the Next Few Weeks

Toronto, Ontario – July 15, 2009 – Electrovaya Inc. (TSX: EFL) will be participating and presenting at a number of conferences and trade shows over the next few weeks. They include:

1. Infocast's Storage Week conference, in La Jolla, California from 13th to 16th July 2009 where Electrovaya is an invited speaker. "Storage Week" promises to be the ultimate networking event of the year for anyone with a stake in the scale-up of storage and its integration into the grid.
2. The OECD Conference on "Potential Environmental Benefits of Nanotechnology: Fostering Safe Innovation-Led Growth," where Electrovaya is an invited speaker. The conference is taking place at the OECD conference Centre, Paris, France from 15th to 17th July 2009.

The conference will provide an opportunity for governments, academia and industry to consider state-of-the-art nanotechnologies, their potential to bring environmental benefits and any potential human health and environmental safety concerns at the same time.

The OECD (Organisation for Economic Cooperation and Development) brings together the governments of countries committed to democracy and the market economy from around the world.

3. The FedFleet 2009 conference in Chicago to be held from July 28th -30th, where Electrovaya is participating and showcasing the all electric Maya 300 in the exposition. The Federal Fleet Policy Council, GSA's Office of Government wide Policy, the Interagency Committee for Aviation Policy, and GSA Fleet are proud to host FedFleet 2009.
4. The 2009 Southeast Bioenergy Conference 11-13th August 2009 and discussing the *Evolution of Vehicles* where Electrovaya is an invited speaker.

Other recent conferences where Electrovaya has participated include: Deutsche Bank Alternative Energy Conference, Washington DC 10-11th June 2009; APMA (Automotive Parts Manufacturer's Association) Conference, May 27-28th, Hamilton, On; EVS-24 (International Electric Vehicle Symposium 13-15th May 2009, Norway; Nanotechnology Conference, 3-7th May 2009 Houston, Tx; Advanced Battery Manufacturing Conference 15-17th April 2009, Washington DC ;

About Electrovaya Inc.

Electrovaya (TSX: EFL) is a developer and manufacturer of portable power solutions with its proprietary Lithium Ion SuperPolymer® battery technology. Its goal is to become the preferred provider of portable power for aerospace, defence and wireless sectors, and the developer of alternative energy applications including UPS, stand-by power, plug-in hybrids and Zero-Emission Vehicle. The Company's shares trade on the Toronto Stock Exchange under the symbol EFL.
